No experience is necessary!

We train new performers, directors, designers, stage crew ALLLL the time.

Mentoring is one of the many ways For the Whim welcomes people of all experience levels, abilities, and backgrounds.

Our 7th season brings intense and mysterious character work in manor house where all is not what it seems, and also a Grecian romantic comedy where the lines blur between waking and dreaming worlds. Plus a birthday party edition of our Rhythm & Clues fundraiser! Reach out today to **contact us** and **buy tickets** for these events to see what all the buzz is about at one of the region's most-exciting and innovative theatre companies!

Auditions!
