RHYTHM & CLUES: BIRTHDAY EDITION

Since January 17, 1999, we've brought ten fully-staged productions and two virtual performances to life — each helping to push the boundaries of South Jersey theatre. Our actors, crew members, and audiences alike agree that we've created something **truly special**. Every production is distinct, with its own creative vision and innovative staging! Explore our journey on the new [Past Productions page](#) of our website.

Beyond our mainstage shows, we support our work through competitive grants, fundraisers like our signature Rhythm & Clues events, and by providing talent for our community, including Millville's *Mystery on High*.

And we're just getting started! In 2026, we're thrilled to present Agatha Christie's gripping murder mystery [And Then There Were None](#), alongside one of William Shakespeare's most beloved comedies, [A Midsummer Night's Dream](#).
