Meet Our Team

BOARD MEMBER, KATIE ELIZABETH HUGHES

- Started theater in middle school after being introduced to classic musical movies by her mom
- Performing was a way to feel closer to people who had passed, but turned into something that brightened a sometimes dim world, and helped her find herself and “her people.”
- Performed in the 2nd production FTW ever produced back in 2019 – fortunate to be offered my dream role in my first Shakespearean production, and hooked on Shakespeare and FTW ever since.
- FTW really does put the community back in community theater.
- Hobbies include singing, stage performing, art in all forms, animals, Greek mythology, travel, cooking, eating great food, spending time with friends, but especially sharing it all with my two favorite guys Shane and Baxter!
- Katie serves our Board as the Hospitality Chairperson.
